POPPY/POPPY POSTER PROGRAM

ATTENTION - ATTENTION

POPPY USAGE CONTEST AT MID-WINTER
(Formerly Poppy Corsage Contest)

SUPPORT THE NATIONAL CREATIVE ARTS FESTIVAL

CREATE-CREATE-CREATE

The Poppy usage contest is a way for Units to be creative with the use of the Poppy!!

Units: Ask your members to submit to their respective County Committees an 8x10 picture of the way they have used the Poppy. Be sure to include, on the back of the picture, the Unit name, number, and address.

Counties: Display the pictures at your County meeting and vote as to the one that best represents the usage of the Poppy. Have your members donate \$1.00 per vote and **members should be encouraged to vote multiple times**. Monies collected should be sent to the Department of New York American Legion Auxiliary.

Bring the winning picture to **Mid-Winter Conference** where they will be displayed for voting. The voting rules will be the same as above \$1.00 per vote **and vote multiple times**.

The picture selected at Mid-Winter and all monies collected will be sent to National American Legion Auxiliary designated for the **National Creative Arts Festival**. At the National level, the picture that brought the most votes/monies from each division will be highlighted in National communications.

Lets all get on the bandwagon and create to make President Ann and New York State the winners in the Eastern Division.
