

American Legion Auxiliary College of New York
DEADLINE FOR APPLICATIONS HAS BEEN EXTENDED TO APRIL 15, 2010
You'll be glad you're a grad!

Congratulations to Joan Staats of Genesee County, winner of the tuition raffle held at the MidWinter Conference!!

Wondering what the College is all about? It's three days of learning about the American Legion Auxiliary: our history, our programs, our members, and ourselves. Sessions include Americanism, Children & Youth, Community Service, Empire Girls State, National Security, Veterans Affairs & Rehabilitation, Meetings and Unit Operations. The College will provide students with training, encouragement, and ongoing support.

The College is open to all Senior members and to Junior members who are 16 or older, whether they're newer members or more experienced ones, whether they've never held an office or have been President for six terms. The diversity of the student body increases learning opportunities for everyone involved!

The tuition of \$200 per student may be paid by individuals, Units, or Counties. Bell Jar funds may be used for tuition. Scholarships are available. The Susan Britton Scholarship Award is a full tuition scholarship award which will be presented to a member who demonstrates a strong desire to attend the college session. The member will provide a 1 page essay indicating why the college experience would enhance the value of her membership in our organization. Entries must be sent directly to: Susan Britton, PO Box 114, Rensselaerville, NY 12147. Entries must be received by April 1, 2010.

Past National President Phyllis Bachman and the Department of New York are awarding scholarships to Junior members. The Junior scholarship award entry is part of the Junior member student application form; no separate entry is needed.

Student applications for both Senior and Junior members are available on the Department website at www.deptny.org. Fill one out and mail it today!
