ANGELS AMONG US

I was walkin' home from school on a cold winter day
Took a shortcut through the woods, and I lost my way
It was gettin' late, and I was scared and alone
But then a kind old man took my hand and led me home
Mama couldn't see him, but he was standin' there
And I knew in my heart, he was the answer to my prayers

Oh I believe there are angels among us
Sent down to us from somewhere up above
They come to you and me in our darkest hours
To show us how to live, to teach us how to give
To guide us with the light of love

When life held troubled times, and had me down on my knees
There's always been someone there to come along and comfort me
A kind word from a stranger, to lend a helpin' hand
A phone call from a friend, just to say I understand
And ain't it kind of funny that at the dark end of the road
Someone lights the way with just a single ray of hope

Oh I believe there are angels among us
Sent down to us from somewhere up above
They come to you and me in our darkest hours
To show us how to live, to teach us how to give

To guide us with the light of love
They wear so many faces; show up in the strangest places
To grace us with their mercy, in our time of need

Oh I believe there are angels among us
Sent down to us from somewhere up above
They come to you and me in our darkest hours
To show us how to live, to teach us how to give

To guide us with the light of love
To guide us with the light of love

GO REST HIGH ON THAT MOUNTAIN

I know your life
On earth was troubled
And only you could know the pain
You weren't afraid to face the devil
You were no stranger to the rain

Go rest high on that mountain
Son your work on earth is done
Go to heaven a-shoutin'
Love for the Father and the Son

Oh, how we cried the day you left us
We gathered 'round your grave to grieve
Wish I could see the angels faces
When they hear your sweet voice sing

Go rest high on that mountain
Son your work on earth is done
Go to heaven a-shoutin'
Love for the Father and the Son

Go rest high on that mountain
Son your work on earth is done
Go to heaven a-shoutin'
Love for the Father and the Son

Go to heaven a-shoutin'
Love for the Father and the Son

Native American Prayer

I give you this one thought to keep

I am with you still I do not sleep

I am a thousand winds that blow

I am the diamond glint on snow

I am the sun light on ripened grain

I am the gentle autumn rain

When you wake in the morning hush

I am the swift uplifting rush

Of quiet birds and circled flight

I am the soft stars that shine at night

Do not think of me as gone

I am with you still in each new dawn
