"They Marched For Us, Let's Walk for Them"

I pray this letter finds you all well.

Once again, I am asking for your help in supporting one of the most wonderful and worthwhile projects our American Legion Family undertakes in support of our honored Veterans – the “They Marched For Us, Let’s Walk For Them” initiative.

For many years my Joe reached out to family, friends and our Legion Family in support of our hospitalized, elderly or chronically ill veterans being served in our VA Hospitals and Homes throughout New York State.

Joe so loved working with, and for, our Veterans. I have taken the baton and continue to raise funds for this Sons of The American Legion / American Legion Auxiliary annual event.

With your generous support we have been able to increase our totals each year. Please consider a donation to this worthwhile cause in Joe’s memory but, more importantly, for our Veterans in need.

They served for us. Let us honor that service by helping them in their days of need.

Thank you again for your support!

Marie Santa Croce
