

*2026 Department of New York
American Legion Baseball
Championship Tournaments*

Senior Tournament: July 25 – July 29

Junior Tournament: July 31 – August 2

Penfield High School, Penfield NY

The American Legion Greece Post 468 Family is seeking tournament program advertising, sponsorship and is requesting donations of services and/ or monetary donations for this wonderful event. This is our second year hosting these tournaments. Proceeds from this event will be going to Otto's Phoenix House which provides transitional housing for female veterans and their children and Eagle Star Housing which provides housing for veterans facing housing instability. We will also be supporting American Legion Baseball.

There will be teams from all over the state of New York participating, with the champions advancing to the Northeast Regional Championship Tournament in Massachusetts.

Last year the Greece Post 468 team won this tournament and went on to win the Northeast Regional Championship. Our team then went to the American Legion World Series in North Carolina. While we didn't win there, we did finish a respectable eight in the nation (out of 1400+ teams).

We invite you to support this year's tournaments by advertising in our program, sponsoring, making a financial donation, providing gift cards, or donating goods and services. All contributions are tax deductible.

Enclosed is a donation form that covers sponsorship details and an application for inclusion in the program book, which will be distributed to tournament attendees. Please note: The amounts for advertising and sponsorship can be found on the final two pages.

2026 Department of New York American Legion
Baseball Championship Tournaments
Donations/ Advertising/ Sponsorship

Date ____ / ____ / ____

Name or Business: _____
Contact Person: _____

kvn.woodbury@gmail.com

THANK YOU FOR YOUR SUPPORT FOR the 2026
Department of New York American Legion Baseball
Championship Tournaments

Donations and proceeds go directly to aid and assist our men and women of the military, the families, and support groups. This year's benefactors are The Otto Phoenix House, Eagle Star Housing, and American Legion Baseball.

At all levels – neighborhood, town, county, state and nation – it is essential that we come together with a shared commitment to assist our local veteran community by providing sustained services and effective crisis management. We are also dedicated to fostering youth development; through our support of American Legion Baseball. We contribute to shaping young individuals into responsible citizens.

We truly appreciate your generous donation to our cause. Your support means so much to us, and we are deeply grateful for your kindness.
